

ABOUT THE BOLDT COMPANY

The Boldt Company is a fourth-generation family- and employee-owned professional construction services firm that has been in operation since 1889. Headquartered in Wisconsin, Boldt has 14 offices throughout the United States. We provide professional construction services to customers in a variety of industrial, education, healthcare, commercial and renewable energy markets nationwide. Boldt is one of the country's leading sustainable construction companies and has been recognized as one of the safest companies in America.
