

Leadership Profile

Oscar Boldt
Chairman

With dedication, entrepreneurship and consummate business ethics, Oscar C. Boldt has spent more than half a century transforming the family business his grandfather founded in 1889 into one of the nation's largest and most highly respected construction firms. His strong leadership has fostered a culture of excellence throughout The Boldt Company.

Oscar remains active in the operations of the company today as it serves clients across the United States through numerous offices and more than 2,000 employees. The corporate values of honesty, fairness, hard work, performance and a love for the profession can be traced directly back to Oscar's commitment to the company, its employees and the industry as a whole.
