Tom Boldt  
Chief Executive Officer

Representing Boldt's fourth generation of family leadership, Tom Boldt stands as the bridge between a groundbreaking past and a rich, exciting future.

Long a visionary and committed thought leader, Tom embraced evocative philosophies such as sustainable building and Lean philosophies years before they entered the public consciousness and industry conversations.

His passion for learning and discovery served him well at Minnesota's St. Olaf College, where he earned his BA, as well as L'Universite de Paris 3 and L'Institut Catholique de Paris, both in Paris, France.

Tom remains deeply dedicated to providing Boldt customers with unparalleled creativity and exceptional value as they build to achieve their business goals. And that dedication is evident throughout Boldt's construction landscape.
